The Wild Flowers...

Winter is Ending and Spring is Birthing.
Skeleton Trees are Budding.
Flowers are Blossoming

The Days are Mystical and Full of Promise.
& It is clear the days are becoming longer.

Our Vision of Winter is now calling to be embodied.

Here we honour The Winter Womb Space
we are emerging from
& here we relish in Awakening Dream and
The Promise of All That lies Ahead of The
Blossoming Sun.

Imbolc means 'In The Belly of The Womb'
